**Explanation**

The referendum election ballot will ask District electors to vote "yes" or "no" on the referendum election question as set forth above.

A "yes" vote on the question is a vote to approve the borrowing of \$28,500,000 by the School District of Pewaukee through the issuance of general obligation bonds for the purpose of paying the cost of a school building and facility improvement project consisting of: construction of additions and renovations for the career and technical education and the relocated physical education and art program areas at Pewaukee High School; district-wide capital maintenance, building systems and solar energy improvements; other capital projects identified in the district's capital improvement plan; and acquisition of furnishings, fixtures and equipment.

A "no" vote on the question is a vote to deny the School District of Pewaukee the authority to borrow \$28,500,000 through the issuance of general obligation bonds for the purpose of paying the cost of a school building and facility improvement project consisting of: construction of additions and renovations for the career and technical education and the relocated physical education and art program areas at Pewaukee High School; district-wide capital maintenance, building systems and solar energy improvements; other capital projects identified in the district's capital improvement plan; and acquisition of furnishings, fixtures and equipment.

In the event a majority of the electors voting on the question vote "yes," the District will be authorized to undertake the school building and facility improvement program described in the question and borrow not in excess of \$28,500,000 therefor; if a majority vote "no" on the question set forth above, the District will not be so authorized.
