

IMPORTANT PAYMENT PORTAL INFORMATION

WHAT'S NEW?

Integration between our prior systems has ceased, resulting in a vendor change for the Utility and Accounts Receivable portals. The new system is up and running.

HOW DOES THIS EFFECT MY ACCOUNT?

Your login to the payment portal will NOT change.

Any saved payment information and scheduled payments will need to be setup again.

HOW CAN I GET HELP?

If you are having trouble with your account, call Village staff at **(262) 691-5660 option 3**. We apologize for the inconvenience and appreciate your patience as we transition to the new provder.
