## Village of Pewaukee

### PAYMENT PORTAL UPDATE

Integration between our prior systems has ceased, resulting in a vendor change for the Utility and Accounts Receivable portals. The new system is up and running. Your login to the payment portal will NOT change. **Any saved payment information and scheduled payments will need to be set up again.** If you are having trouble with your account, call Village staff at (262) 691-5660, option 3. We apologize for the inconvenience and appreciate your patience.

### TRACK YOUR WATER USAGE

The new water meters the Village has been installing have new advanced technologies. EyeOnWater, powered through Beacon, will now be able to track your water usage in real time and send you water leak alerts, all for free! Scan the QR to sign up.
